Credit Card Number: Exp. Date:								
Cardholder Name: Signature:								

Please make checks payable to: **IEEE Computer Society**. All checks must be in US DOLLARS drawn on US BANKS. Credit card charges will appear on statement as "IEEE Computer Society - Registration." Cancellations must be in writing and received before **26 September 2003**. Cancellations are subject to a \$50 processing fee. Substitutions are allowed at anytime. Appropriate registration fees will be charged based on chosen sessions, additional purchases, membership information and date registration form is received.

# ICCV 2003 Registration Information

#### Registering by Mail/Fax

Fill in the requested information, and mail or fax it with your payment to the IEEE Computer Society to the address provided on the registration form. To qualify for advance registration discounts, registration form **and** payment must be received by the deadline. Registrations received after the deadline may not be acknowledged or accepted and may require processing and payment onsite.

#### **Payment**

Payment must accompany all registration forms and can be made by credit card (MasterCard, VISA, American Express, Diners Club), check, or wire transfer. Checks or money orders must be in U.S. funds, drawn on U.S. banks, and payable to the IEEE Computer Society. No registrations will be accepted over the phone. *Forms received without actual payment WILL NOT be processed*. Appropriate registration fees will be charged based on chosen sessions, additional purchases, membership information and date registration form is received.

# **Registration Confirmation**

Written confirmation of conference registration will be mailed by the IEEE Computer Society by postal mail within two days of receiving your registration. If you do not receive confirmation, please call +1-202-371-0101, or email us at register@computer.org. Please reference ICCV 2003 conference.

#### **Member and Student Discounts**

To qualify for the discounted Member rates, you must be a member of the IEEE or the IEEE Computer Society, and include your membership number(s). To qualify for the Student Member rate you must be a full time student and a Member of one of the above organizations. Students must present their ID onsite.

#### **Invitation Letters**

Our policy is that invitation letters can be issued only to speakers, presenters, committee members, IEEE members or persons known by the organizing committee. In addition, registration fees must be paid in full before the letter is provided. Letters will only be sent by US Postal Mail or fax and only to the individual registered for the conference.

### **On-Site Registration**

On-site registrants will pay onsite registration fees. Credit cards (MasterCard, VISA, American Express, Diners Club) are the preferred form of payment. All checks must be in US funds drawn on US banks.

#### **Cancellations and Substitutions**

Cancellations and substitutions are allowed. However, full registration fees will be charged unless a cancellation notice is sent in writing, and received or faxed before 26 September 2003. A \$50 handling fee will be applied to all canceled registrations. Fees cannot be refunded for registrations canceled after the cancellation deadline. No-shows will be billed. Contact the IEEE Computer Society at the address below for substitutions (allowed at any time). A letter on your company's letterhead is required from the original registrant stating the conditions of the substitution and the name of the replacement. Please send cancellations to:

IEEE Computer Society Attn: ICCV 2003 1730 Massachusetts Avenue NW Washington, DC 20036 USA

Fax: +1 202 728 0884

## **Attendee List**

As some registrants request that their names be left off of our mailing lists, it is the Computer Society's policy not to distribute an attendee list to registrants on-site. Once on-site registrations have been added to the database, we will send the attendee list via postal mail to those who request it. When onsite, please check your information for accuracy and request a copy, if interested

## **Airline Discount for Conference Attendees**

We are pleased to announce that we have been able to secure a special discount agreement with United Airlines unavailable to the general public.

A 5% discount off the lowest applicable fare will be offered ONLY when you or your travel agent call United's toll-free number, 1-800-521-4041 and refer to the Meeting ID Number 556AQ. A 10% discount off the unrestricted mid-week coach fares is available when purchased 7 days in advance. Discounts apply on United, Shuttle by United and United Express. Dedicated reservationists are on duty 7 days a week, 7:00 am to 12:00 midnight EST. Book early to take advantage of promotional fares that give you the greatest discount. Mileage Plus members receive full credit for all miles flown to this meeting.

#### Questions

Questions about this form or the registration process should be directed to register@computer.org. (Please reference ICCV 2003 registration)
